10. The timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after 15th May 1933. Timber not removed after purchase will remain in the Depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 9 per cent per annum from the date of their falling due up to the date of payment.

TUMKUR DIVISION.

Abstract Notification dated 10th December 1932.

Subject :—Construction of a Rural Dispensary Building at Urudagere in the Tumkur Taluk.

Attention of the public is drawn to notification calling for tenders for the above work in pages 1467 and 1468 of Part VI of *Mysore Gazette*, dated 15th December 1932.

(2) The tenders will be received by the Executive Engineer, Tumkur Division Tumkur, upto 3 P.M., of 10th January 1933.

(3) An earnest money of Rs. 250 should accompany the tender.

Notification dated 16th December 1932.

1. Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 3 P.M. of 25th January 1933, for opening a feeder channel to Yekarahalli Tank in Madhugiri Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed before the end of June 1935.

2. The plans, detailed estimates and conditions may be seen at the Executive Engineer's Office at Tumkur between the hours of 11 A.M. and 5 P.M. on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed both in words and figures.

4. Each tender must be accompanied by a deposit of Rs. 700 in cash or currency note as earnest money and be superscribed "Tender for opening a feeder channel to Yekarahalli Tank in Madhugiri Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, Tumkur Division who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender of the successful competitor will be required to execute the usual bond in default of which his tender will be cancelled and earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9 *Percentage rates above or below the estimate amount will not be accepted.*

10. No claims for enhanced rates will be entertained on any account after acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates and measurements, quality of work, etc., and in all disputes of any kind the decision of the Executive Engineer will be final and legally binding on the contractor.

12. Rates should be quoted both in words and figures for each item of work and lumpsum provisions are subject to modification as per data worked out during the execution. For individual items of work under lumpsum provisions, the rates tendered for similar items of work will be paid and for other items the rates as per schedule of rates will be paid at the discretion of the Executive Engineer.
